Dear Friends in Christ,

Matthew 6:33 "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you"

So many times we seem to forget to seek God's will for our lives. We don't take time to pray as we should. Many situations would be solved or avoided if we remembered to keep God in first place in our hearts and lives. We are so blessed that God loves and forgives us.

We ask you to pray for the Vacation Bible School season that will soon be here. Please pray for the children, young people and adults who will be hearing the Gospel of Christ, some for the first time. Our prayer is for the salvation of souls for the Lord. Also, chicken pox is making the rounds now, so we pray that they will have run their course by that time.

As Becky works with the ladies of Pixyah, I ask your prayers for them to understand their need for Christ in their hearts, that the Lord will give them the valor to accept Christ as Savior, and the strength to face opposing family and friends.. Sometimes the family disowns them when they are saved, and kicks them out of their home if they still live there. A couple of the ladies have shown much interest in accepting Christ, but are afraid to take that final step.

At this time I would like to ask for your prayers as I am scheduled for a total hip replacement May the 21st. We are now doing pre-testing for the surgery. Please pray with me that everything will turn out as it should for the surgery and an uncomplicated recovery.

Thank you for your prayers and support through the years.

In Christ,

Betty Seals
