

Heart In Africa

November-December 2024

Dear Faithful Partners,

As we look forward to the holiday season, we hope you're doing well. We would like to take just a few minutes to share with you what God has been doing.

Ministry Opportunities: Harrison finished the fall soccer season with the homeschool team he has been coaching. While the team did not do well in the national competition, they did come in second for their state tournament. We are thankful that God provided safety for all the players as they participated in the various games. Michelle has been volunteering to teach a religious education class at Southport Elementary School. Each

Monday afternoon, ten 4th graders come and participate in the class. Please pray for the spiritual well-being of the boys and girls attending the class and for wisdom as Michelle shares Christ with them.

Since our last update, we have had the privilege of sharing our ministry in one new church and some of our supporting churches. It has been a joy to reconnect with many of those we have not seen over the years. We have also been encouraged as we hear how God has been using you to share Christ with those within your community. We are always refreshed after the sweet fellowship with you.

Building Project: As we have been reporting to our churches, you have become aware of our plans to build a multipurpose facility with dormitories for our leadership conferences and soccer ministry. While we still have a ways to go for the needed amount, we are thankful for how God has been working. Through God's people's generous, sacrificial giving, we have raised \$16,000 of the \$100,000 needed for the project. We are rejoicing to see how God has been providing for this project.

Zambian News: Since we have been in the States, the Zambian leadership team continues to hold the fort. The ladies from Bethlehem Baptist Church in Chipata and in Makungwa were able to have a time of fellowship in which they participated in various activities and focused on God's Word. We are thankful for the Zambian ladies who organized the function. They were able to build each other up in the faith as they exchanged gifts with one another and were taught from God's Word.

Thankful: As we celebrated Thanksgiving and look forward to celebrating the birth of our Savior, we have much to be rejoicing over. For

Thanksgiving, we spent a couple of hours with Michelle's parents. Since Michelle's dad's health is ailing, we praise God for the time we can visit with them, especially around the holidays.

We want to close our update by expressing our appreciation for you and partnering with us in ministry. You are a vital element in reaching Zambians with the gospel. We will be praying that your time spent with family and friends over the Christmas holiday will be sweet and refreshing.

In His Service,

Harrison & Michelle

Ladies Fellowship
