

# ON-SITE WORSHIP SERVICE PLANS BEGINNING MAY 31

## THOMPSON ROAD BAPTIST CHURCH

---

We are excited to have one on-site service per week, Sundays at 11:00 am. PM Services, Sunday School, Children's Lessons, and Midweek Services will continue online. Nurseries, Junior Church, AWANA, Bus Ministry, and choir will return later

*Don't worry!* On-site services will be video recorded to play at our stream site at 4:00 pm the same day and posted later to our website *(so you won't miss out!)*

On-site attendees should practice touchless greeting *(no handshakes or hugs for now)*

Those who have or recently have had symptoms of illness (including cough, sneezing, runny nose, fever, difficulty breathing, and seasonal allergies) are asked to stay home and participate online *(we're praying for you!)*

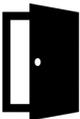

Items will not be passed among attendees, including offering plates, print materials, or hymnals. Music lyrics will be displayed on the projection screen and offering plates will be available at the auditorium exits

Seating in the main auditorium will be clearly marked for safe distancing. People from the same household should sit together *(you can have your favorite seat back soon!)*

All individuals that fall within the high-risk groups as defined by the CDC are encouraged to stay home and participate online this month ([trbc.online.church](http://trbc.online.church))

Doors will be propped open as you come and go. Please avoid the restrooms when possible and observe social distancing and hand-washing. Common areas will be thoroughly cleaned before and between services

Hand sanitizer will be available near each entrance. Our city has asked that congregants use face coverings.

Practice fellowshiping from a distance within your marked seating rather than congregating in the entrances, aisles, or lobby

*\*Remember the good news: all of these precautions are temporary as we phase back into assembling and connecting as a spiritual family in Christ. We trust the Lord for safety!*
